

The Big Red® XT Welding Gloves

The Big Red® XT has all the features of the famous Big Red®, extended to a total length of 680mm for serious lower and upper arm protection. In certain welding situations, the Big Red® XT can be worn with an apron and still offer very good full frontal protection without the need for a welding jacket or welding sleeves.

Features

- Manufactured from soft, premium, selected red butt Big Red® leather
- Fully lined with 100% cotton to improve heat protection and manage perspiration
- Wear seams are welted for additional protection and wear life
- Sewn with heat resistant aramid thread for extra durability
- Length: 680mm.

Materials

- Grade A Butt Leather
- Cotton fabric lining
- Aramid thread stitching.

Certifications and Standards

These Gloves are certified by BSI to AS/NZS 2161.4.1999 Occupational Gloves for protection against thermal risks (heat and fire).
