

Product Data Sheet

Big Red® Full Seat Trousers

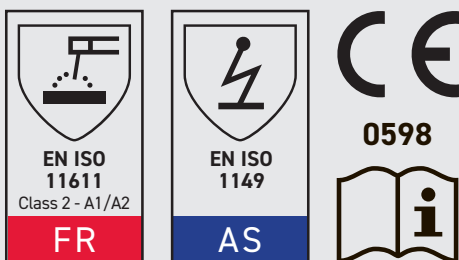

The Big Red® Welders Full Seat Trousers are designed for heavy-duty welding. In instances where heavy-duty leg protection is required, they have been designed to be comfortably worn over your work trousers.

Features

- Big Red® selected split leather
- Full Seat design for maximum protection
- Articulated knee for greater movement and comfort
- Fitted with a fly, belt loops and adjustable side straps
- Leg cuff opening with hook + loop closure to improve ease of donning and doffing
- Sewn with heat resistant aramid thread
- Comfortably fits over standard work clothes.

Certifications and Standards

Elliotts Big Red® Welders Trousers have been independently third party CE Certified to ISO 11611 Protective clothing for use in welding and allied processes.

Product Number	Size

Elliotts BIG RED® welder's apparel uses soft, premium, selected red butt BIG RED® leather which is extremely durable, flame resistant and offers excellent protection from welding spatter and dross. Leather is extremely strong wearing and protects your workwear not only from the hazards of welding but also abrasion, fluids and general wear and tear.
