

Golden Chief® Spats

The Golden Chief® Welding Spats are designed to protect your boots from damaging welding spatter and dross. The spats are manufactured from selected soft, premium Golden Chief® pig split leather, and utilise a 50mm hook + loop closure with all wear areas reinforced with rivets.

Features

- Premium gold pig split leather
- Lightweight and extremely durable
- 50mm hook + loop closure
- Hook + loop bootstrap
- Riveted reinforced wear areas
- Double leather moulded toe area
- Sewn with heat resistant aramid thread.
