

Product Data Sheet

Wildlands Firefighting Jacket

Elliotts' Wildlands range takes advantage of the latest fabric technologies to create a wildland firefighting system that offers a high level of protection in a lightweight construction.

TenCate Tecasafe Plus is engineered to provide unbeatable electric arc and flash fire protection that lasts longer than FR treated cotton fabrics. Tecasafe Plus is a soft and lightweight fabric providing unmatched comfort. It is also comforting to know that Tecasafe Plus's inherent protection will never wash or wear out.

Features

- Contoured stand up collar
