

Product Data Sheet

E-Cool®

The E-Cool® range of products helps you stay cool on those hot days. The E-Cool® range has strategically placed E-Cool crystals which keep your upper body, head and neck cool.

E-Cool® Bandanas

The E-Cool® Bandanas are designed to keep your core temperature at a consistent rate by cooling key areas of your body.

E-Cool® Vest

The E-Cool® Vest has strategically placed E-Cool crystals which keep your upper body cool. The vest has a zip closure and elasticised sides, ensuring a close fit, which will assist with reducing the chances of heat stress. Made from 100% polyester fabric.

Easy to use

- Just soak in cold water for 30min
- Stays hydrated for several days
- Cool even when worn over a shirt
