

Product Data Sheet

Mec-Flex® Utility Pro Work Safety Gloves

Mec-Flex® Utility Pro is a comfortable form-fitting glove designed for general day-to-day handling tasks. The reinforced palm increases durability and protection while the elastic cuff and Velcro TRP closure tab provide a secure fit.

Features

- Hyde-Tex™ 80 Synthetic Leather palm with neoprene padded palm reinforcement
- Two-way form-fitting stretch spandex on the back of the hand increasing ventilation fit and comfort
- Low profile neoprene knuckle bar
- Ventilated finger walls for increased comfort
- Reinforced synthetic leather thumb, index, middle and ring fingertips
- Heavy duty elastic cuff with TPR wrist closure using hook + loop for a secured fit and pulse protection
- Ergonomically designed form-fitting 3-dimension patterns.
- Length: 250mm (size LRG)

Materials

- Hyde-Tex 80 synthetic leather palm
- Neoprene padded palm
- Neoprene Cuff
- Polyester + Spandex Back of Hand
