

## Product Data Sheet

### G-Flex AirTouch Cut-F Cut Resistant Gloves

The second-generation G-Flex® Dynamax® AirTouch range has a proven track record in providing quality cut-resistant hand protection.

The CR-F is the newest addition to the AirTouch range. In addition to the super light 18-gauge seamless liner, this glove features the all new reinforced thumb crutch for increased durability. Offering excellent dexterity, sensitivity and tactility, this glove is certified to the new AS/NZS 2161.3:2020 standards.

#### Features

- Dynamax® 18F super light 18-gauge seamless light blue liner
- The highest TDM Cut Level F protection
- Reinforced thumb crutch for improved durability
- Instant touchscreen capabilities
- 'Finger Dip' technology providing ventilation to back of hand
- Provides highest levels of abrasion and tear resistance
- Extremely comfortable with excellent dexterity, sensitivity and tactility
- Excellent grip on most surfaces including those with light oil
- Oeko-Tex® tested materials
- Environmentally friendly packaging (no single use plastic bags).
- Length: 250mm (size 9)

#### Materials
