

## Product Data Sheet

### G-Flex T-Touch Technical Safety Gloves

The G-Flex® T-Touch safety gloves are ideal for all applications which require a high level of dexterity and sensitivity, especially where grip is important in oily and greasy conditions.

#### Features

- Lightweight T-Touch coating provides a very comfortable fitting glove
- Durable nylon spandex 15 gauge seamless liner
- 'Finger Dip' technology gives total ventilation to back of hand
- Excellent levels of abrasion resistant and good tear resistance
- Very comfortable with excellent dexterity, sensitivity and tactility
- Excellent grip on most surfaces including those with light oil
- Oeko-Tex® tested materials
- Environmentally friendly packaging (no single use plastic bags)
- Length: 250mm (size 9).

#### Materials

- 15 gauge nylon spandex liner
- T-Touch nitrile foam coating.

#### Certifications and Standards

Certified by BSI to AS/NZS 2161.3:2020 (EN388)  
Occupational protective gloves - Protection against mechanical risks.
